**ORDER**

Defendant Richard Patterson, *pro se*, who refers to himself as “Richard Graham, family of Patterson,” is charged with twelve counts of wire fraud under 18 U.S.C. § 1343 in connection with a fraudulent investment scheme. Defendant has filed a motion to dismiss the indictment for “lack of territorial jurisdiction.” *See* 18 U.S.C. § 7 (addressing federal court jurisdiction for

offenses committed outside the boundaries of the United States). Because the crimes charged in the indictment herein occurred within the United States, specifically in the Northern District of New York, defendant's claim lacks merit. Based thereupon, defendant's motion to dismiss is hereby DENIED.

IT IS SO ORDERED.
